## Quality Base Materials

At Sleek, we use certified, high-quality base materials to lay a strong foundation for your modular cabinets.

# BWR Grade Plywood – Tested As Per IS 303 Standards\*

---

## High Water Resistance

Tested for 3 cycles of 8 hours in 100 degrees.

## Seamless Glossy Finish

Due to low surface undulations

## Shutter Bending Limited To Below 4mm

Meticulously tested base materials to ensure durability

# High Grade | HDF-HMR

---

## Superior Strength

High Density Fibre board with > 800 kg/m3 density

## Evenly Finished Smooth Surfaces

Due to zero surface undulations

## Great Water Resistance

Tested at 100°C over 24 hours (3 cycles of 8 hours)

## Robust Load Capacity

\*Test certificate available

## Stunning Finishes

Give your kitchen the perfect finish. Pick from the widest range of high-quality finishes and watch your dream kitchen come alive.

# Laminates

- Certified Greenlam and Merino laminates

---

## Weight Uniformity & Minimal Shutter Bending

Due to 1 mm laminates pasted both at the back and front of the ply

---

## High Water Resistance & Faster Bond-Curing

Pasted with high moisture-resistant Henkel D3 German Glue

---

## Imported Edge-Bandings

Shutter colour matching for all edge-bandings

---

## Pre-Milling Edge Filing

For clean edges without chips in panel surface and more secure adhesion of ply and edge-banding

# Acrylic

---

## Anti-Yellowing

Due to imported UV treated acrylic from Europe

---

## Anti-Scratch Properties

To make the surface look as good as new for longer

---

## Strong Adhesion To Ply

Readily pressed on ply, ensuring no separation from base material, unlike market acrylic

# PU

---

## **Emporio PU Paint**

Imported formulation from Italy

---

## **Heat & Scratch-Resistant**

Film hardness on par with automobile paints

---

## **Italian Finish**

Painted with automated Cefla painting line from Italy

# Glorious Glass

---

## **Toughened Glass**

For an additional layer of safety to protect from impact damage

---

## **Multiple Colours Available**

Available in 200+ RAL colour options

---

## **Stronger Glass & Paint Bonding**

Better paint adhesion to glass since it is painted with adhesives and prevents chipping

# Glorious Glass

---

## Seamless Look

Directly pasted with 3M tape to avoid usage of sleeves in the profile

## Zero Sharp Edges

Chamfered edges that ensure safety from sharpness

## Minimal Strain On Hardware

Due to low shutter weight

# Tough, Long-Lasting Hardware

We make sure we use only the best materials and pay attention to every small element of the kitchen to ensure longevity of your modular kitchens. Each hardware that goes into your kitchen is thoughtfully hand-picked to make your kitchen experience more delightful.

# SS 304 Soft Close Hinges
